- STAINING

KMS Painting offers a full range of services. Below is a list of our main areas of expertise. If your project has special requirements or considerations, KMS Painting will be happy to discuss them with you during a no-charge consultation.

**Painting** - Color can be tricky. KMS Painting has the experience and expertise to ensure that your project results will match your project vision.

**Wall papering** - Papering is an art that takes time to master. We have been using the highest grade of materials, techniques and craftsmen to produce beautiful results since 1971.

**Faux and custom finishes** - Marbleizing, texturing, stenciling, sponging... there are unlimited possibilities for the creative mind to explore. Let us help you make your space unique.

**Color consultation** - Careful planning leads to predictable results without unpleasant surprises.

**Damage repair** - We are experts at repairing the unsightly cracks, stains and other damage that often result from leaks or work in adjacent units.

**Insurance liaison** - KMS Painting has decades of experience in preparing comprehensive estimates for insurance companies. We know the costly and often overlooked factors that must be considered to arrive at a complete and accurate figure.
